

Tivoli Model Two Digital walnut/gold

Just simple

A design-focused Wi-Fi and Bluetooth speaker that beautifully complements your space. With Wi-Fi streaming that works with Google Cast and AirPlay 2, you can play music or podcasts through Spotify Connect, Tidal Connect, and a variety of supported apps.

Connect the Connect Model 2 Digital and other supported speakers through Google Home or Apple Home to listen to music in multiple rooms. It has never been easier to play music throughout your home while achieving such high-quality sound. The portable Bluetooth system is also very robust.

Sound

The Model 2 digital is equipped with a 20-watt amplifier that drives a full-range speaker and tweeter. From room-filling bass to clear and distinct vocals and everything in between, this two-driver system projects immersive sound that is powerful, balanced, and detailed.

Style

The Model Two Digital has a classic and sleek design. The streamlined design eliminates the need for a screen and intuitively displays status via an LED bar. Its

versatility makes it the perfect standalone speaker or addition to your growing audio collection.
