Tivoli Music Home System Gen.2

walnut/grey

Outstanding style and performance in an all-in-one device

This design-oriented all-in-one system offers dynamic audio performance with a variety of listening options. From Wi-Fi to radio and Bluetooth to wired inputs, the Music System Home Gen 2 meets all your needs. Listen to radio with AM, FM and DAB+ to stay connected to your local station.

With easy Wi-Fi setup, you can access your favorite music, podcasts, and news shows in minutes. Stream music from your Google Cast-enabled device or app. The Music System Home Gen 2 can also be played through your Google Voice Assistant. With AirPlay 2, it has never been easier to play music from your Apple devices in high-quality sound. Use the Google Home App or Apple Home App to connect multiple devices or rooms. Equipped with four drivers, the device produces a high-quality stereo experience. The sound fills any room with clear, balanced fidelity and deep, rich bass.
