

Tivoli Songbook cream/brown

First-class Bluetooth® sound system

STYLE

The Songbook combines classic functionality with an incomparably modern listening experience.

Operation

The Songbook is equipped with analog switches, EQ faders and tactile knobs. With its robust frame and practical carrying handle, it is the perfect addition to any room and is easy to transport so that it can also be used on the go.

SUPREME SOUND

A powerful amplifier drives a full range speaker and bass subwoofer to deliver rich and balanced frequencies. With its impressive volume, it's ideal for home and outdoor gatherings. The analog EQ lets you fine-tune the SongBook's dynamic capabilities.

AMPLIFY

Elevate your sound to a new level with our integrated preamplifier. Simply plug in your turntable, guitar, keyboard or any other audio device that needs extra amplification. Experience more clarity and power than ever before.

PORTABLE POWER

With 10 hours of battery life, this USB-C fast charging speaker makes the SongBook a powerful portable Bluetooth system.
