

Tivoli Songbook Max cream/brown

Premium Bluetooth system with FM/DAB+ radio and an integrated preamplifier for exceptional sound

STYLE

Songbook MAX combines classic functionality with an unparalleled modern listening experience.

Operation

Songbook Max is equipped with analog switches, EQ faders and radio tuning knobs with five presets. With its sturdy frame and convenient carrying handle, it is the perfect addition to any room and is easy to transport.

SUPREME SOUND

A powerful amplifier drives a tweeter, midrange speaker and bass subwoofer for deep, clear and balanced sound. With impressive volume, it's ideal for events at home and outdoors. The analog equalizer lets you fine-tune the dynamic capabilities of the SongBook MAX.

AMPLIFY

Take your sound to a new level with our built-in preamp. Just plug in your turntable, guitar, keyboard, or any audio device that needs a little extra amplification. Experience more clarity and power than ever before.

PORTABLE POWER

With 10 hours of battery life, this USB-C fast-charging speaker turns SongBook into a powerful portable Bluetooth system.
